## Bath Time.

It's time for my bath, yippidoodarday!  
There's a great game that I really want to play  
Is the water warm? I'll test it with my toe  
And with a 1,2,3! In the bath I go. Splash!

I'll drop this little ducky in the water  
And watch him disappear down below  
Will he pop up here? or will he pop up there?  
Weee! Look at that, he's jumped up in the air

Now he's going to help me wash my little nose  
Then he's going to help me wash my tiny toes  
Wow, look at that he's jumped into my hair  
And now my legs, my arms, my face, he's washing everywhere!
