### Goodnight Sleep Tight

It's time to go to bed  
And rest my weary head  
It's been a very exciting day  
But its time to go to bed

The moon is in the sky  
The sun has said goodbye  
It's time to close my tired eyes  
And sing this lullaby

I'll hide my eyes from you  
can you do it too?  
Oh dear I've lost you  
Where can you be?  
Playing peek-a-boo!

A kiss upon my nose  
My eyes will start to close  
I'll cuddle up with my favourite toy  
For now it's time to dose

Goodnight Goodnight Sleep tight.
