Let's Tidy!

come on let's tidy, everybody tidy
Everybody tidy, everybody tidy, everybody
Tidy up the toys and put them away
We'll have lots of fun with them another day
come on let's tidy, everybody tidy
Everybody tidy, everybody tidy
You know it won't be long before you'll get to play with them again
But for now can you tidy up before I count to ten
1,2,3,4,5,6,7,8,9,10!
